

KING CONSERVATION SCIENCE SCHOLARS

BROOKFIELD ZOO

Chicago Zoological Society
Inspiring Conservation Leadership

**WANT TO GAIN VALUABLE LIFE, JOB, AND COLLEGE SKILLS?
WANT TO DO SOMETHING DIFFERENT?**

Join Brookfield Zoo's King Conservation Science Scholars Program.

WHAT WE OFFER:

- Workshops on animals, conservation, college, and careers
- Courses for college credit
- Projects that give back to your community
- Access to seasonal jobs at Brookfield Zoo and to college scholarships in your senior year
- Caring staff in a safe and fun atmosphere
- Flexible scheduling to accommodate your school, home, and work schedules
- A Ventra card to get to trainings in Chicago and at the zoo

WHAT YOU GAIN:

- Fun experiences, the chance to meet new people, and learning opportunities
- Training and workshops in Chicago and at Brookfield Zoo
- Public speaking skills
- Help with special events and projects at the zoo and in your community
- 120 hours a year spent as a King Conservation Science Scholar
- An annual portfolio of your work

Please note: You must have a 2.0 GPA and be entering grade 9,10, or 11.

INTERESTED?

Recruitment is from February through April for spring, and August through October for the fall. Applications will only be accepted during these recruitment periods.

Visit [CZS.org/Scholars](https://www.czs.org/Scholars) to apply.
